

Michigan Public Service Commission
Letter to the Federal Energy Regulatory
Commission regarding Interstate
Natural Gas Pipeline Rates

“Adopt and issue minute dated January 23, 2018, confirming that the Michigan Public Service Commission filed a letter, dated January 11, 2018, with the Federal Energy Regulatory Commission (FERC or Commission) requesting that the Commission take immediate action directing all interstate natural gas pipelines to either: (1) voluntarily make a filing to adjust their rates to reflect the reduction in the federal corporate income tax rate, effective January 1, 2018, or (2) be subject to a FERC Natural Gas Act, Section 5, investigation into the just and reasonableness of their rates resulting from the reduction in the federal corporate income tax rate.”
